RE : GMBIS MARKETING FLYERS

---

It has come to our attention that some distributors are using flyers that have not been approved and authorized by Great Eastern Life and IHM Risk Management Sdn Bhd.

Please take note that only the approved GMBIS flyers be used .For distributors who are still in possession of the unauthorized flyers, you should stop using it with immediate effect.

If you do not have the authorized version of the flyers you may download from our website or contact our customer service at 03-56386889.

Thank you.

FONG MUNTOH
